

Pooneh Dehghan, M.D.

Taleghani Hospital, Shahid Beheshti University of medical Sciences
Tehran, Iran
(W) 0098-21-22432582
poonehdehghan@yahoo.com & p.dehghan@sbm.ac.ir

Education and Training

Shahid Beheshti University of Medical Sciences Tehran, Iran
Medical Doctorate

Iran University of Medical Sciences Tehran, Iran
Residency in Radiology and Diagnostic Imaging

University College London Queen Square, London, UK
Fellowship in Diagnostic Neuroradiology & MSK axial imaging

Walter Reed Army Medical Center, Armed Forces Washington DC, USA
Institute of Pathology,
Radiologic Pathology correlation course

Master of Business Administration:
Maastricht School of Management-International course in Iran March 2017 to present

Administrative Responsibilities

Chief Executive in Research and Medical Education; Taleghani hospital; 2013 to present
Head of the Department of Imaging; Taleghani Hospital; 2016 to present
Member of the EDO (Education Development Office), School of Medicine, Shahid Beheshti
University of Medical Sciences; 2009 to present
Member of the Accreditation and Asseritation Committee, School of Medicine, Shahid Beheshti
University of Medical Sciences; 2012 to present
Member of the Pre-Internship Board Examination; Ministry of Health and Medical Education;
2000-2014
Member of the Post-Internship Board Examination; Ministry of Health and Medical
Education; 2016 to present
Member of the Compilation and Revision Committee of Anatomical Sciences; Ministry of
Health and Medical Education; 2013 to present
Director of International Relations; Shahid Beheshti University of Medical Sciences: 2017
Member of the European Society of Radiology

Experience and Employment

Babak Imaging center <i>Radiologist, MSK & Neuro MRI</i>	Tehran, Iran 2005 to 2008
Semnan Imaging Center <i>Radiologist in charge of MRI investigations</i>	Semnan, Iran
Amir Al-Momenin Hospital <i>General Radiologist</i>	Semnan, Iran
Shahid Beheshti University, Taleghani Hospital <i>Associate Professor, Radiology department</i>	Tehran, Iran 2007 to present

Presentations

- In-service training seminar; Iran University of Medical Sciences; "Female pelvis ultrasound" and "Doppler Ultrasound in female Pelvis" Oct.2002
- In-service training seminar; Shahid Beheshti University of Medical Sciences; "Imaging of the pituitary gland" Oct. 2007
- In-service training seminar; Iran University of Medical Sciences; "Imaging of the spine" Oct 2008
- Thyroid Symposium; Shahid Beheshti University of Medical Sciences; "Ultrasound of thyroid Nodules" Oct.2008
- 11th Asian Federation of Sports Medicine Congress; "Imaging of spinal trauma" Oct 2008
- Iranian Congress of Radiology, "MRI of meniscal injuries" May 2009
- In-service training seminar, Iran University of medical sciences; "Spinal tumors" Oct 2009
- Annual meeting of the Iranian Society of Surgeons; "Imaging of the Appendix" Oct 2010
- In-service training seminar; Iran University of medical sciences, "Imaging of the cystic supratentorial tumors" April 2011
- Iranian Congress of Radiology; "Degenerative Disc Disease" May 2012
- Iranian Congress of Radiology, " MRI of the Hip and Pelvis: Technical considerations " May 2012
- SBMU Annual Congress of Orthopedics; "MRI of Spinal canal stenosis"; May 2013
- Iranian Congress of Radiology, " CT Alignment and measurements of the lower extremities" May 2014
- In-service training seminar; SBMU rheumatology department; "Imaging in rheumatologic diseases"; June 2015
- Head & Neck Imaging Symposium; "Mandibular lesions"; January 2016
- Iranian Congress of Radiology; "MRI of Achilles Tendon", May 2016
- SBMU Annual Congress of Orthopedics; "MRI of Triangular Fibrocartilage Complex"; February 2016
- Iranian Surgical Society; "PET imaging in orthopedics"; May 2016

Iranian Orthopedic Society; "Scaphoid fractures MRI"; September 2016
SBMU Annual Congress of Orthopedics; "MRI in Low Back Pain"; February 2017

Publications in English

Assessing rheumatologists and radiologists agreement rate regarding the diagnosis of focal bone erosions and osteopenic changes using hand X-rays radiography in patients with rheumatoid arthritis
Rheumatol International 2013 Aug;33(8):2019-23.

Pseudoaneurysm of the superficial temporal artery following penetrating trauma.
J Craniofacial Surgery. 2013 Jul;24(4):e334-7.

Effect of unintentional partial Achilles tenotomy on Ponseti clubfoot management outcomes. ;
J Pediatric Orthopedics B. 2015 Jan;24(1):1-5.

Prevalence of atherosclerosis in patients with inactive rheumatoid arthritis
Clinical Rheumatology 2015; 34;1363-1366

Contrast agents and contrast-induced nephropathy
International journal of Clinical Medicine 2015 (6); 451-457

The effect of listening to Brain waves' relaxing and exciting music during intense endurance training on blood cortisol levels of adult men
American journal of Sports Science and Medicine 2015 (3); 77-81

Reporting microvascular changes in nail fold capillaroscopy:
A narrative review
Rheumatology Research 2016; Vol 1; 43-50

Correlating whole-body bone mineral densitometry measurements to those from local anatomical sites
Iranian Journal of Radiology 2016; 13(1): e25609

Nail fold Capillaroscopic findings in Iranian patients with Systemic Lupus Erythematosus
Novelty in Biomedicine 2016, Vol 4, No4; 166-172

Association between insulin receptor gene exon 17 rs1799817 variant and risk of nonalcoholic fatty liver disease
Metagene, 2017 Feb, Vol 11; 205-208

Acute effects of submaximal cycling activity with blood flow restriction on

Superoxide Dismutase and plasma Glutathione Peroxidase enzymes in healthy men: a pilot study

Medicina dello Sport, 2017 June; 70(2):176-85

Metformin and intravascular contrast media: What to do in patients receiving both: a narrative review

Novelty in biomedicine, 2017; 5(3):138-45

Nailfold Capillaroscopy in 430 patients with Rheumatoid Arthritis

Caspian journal of internal medicine, 2017; 8(4): 269-75
